Volunteer Events

In September 2018, on World Clean Up Day, I teamed up with the **Philadelphia mayor's office of Civic Engagement and Volunteer Service** to collect trash and clean up the streets of Philadelphia.

In 2017 & 2018 I worked extensively with **Philabundance**. In 2017, I put on a food drive where we collected over 500 lbs. of food, and in 2018 I went to their headquarters to box food. Philabundance is a non-profit food bank that serves the Philadelphia and Delaware Valley region of Pennsylvania. It is the largest such organization in the region.

Volunteer Events

In January 2018, I was recognized by **WeWork** for my hard work and commitment to nonprofits in Philadelphia. I received the honor of speaking about the work I did at our annual all company summit where we announced, thanks to our hard work, the company would be creating an "Impact" team.

In May 2018, I teamed up with **Mural Arts Philadelphia** to paint a mural named "Remembering a Forgotten Hero" at City Hall. The mural is currently at the Universal Charter School in South Philadelphia and celebrates early civil rights activist Octavius V. Catto.

Volunteer Events

In 2008, and then again from 2012 - 2018 I've participated in **Relay For Life**, personally raising over \$1500. Relay For Life is an overnight community-based fundraising event that raises money for the American Cancer Society.

Since 2009, I have been raising money and participating in the **Alzheimer's Association** Memory Walk for the Delaware Valley Chapter. In the 13 years I've been participating in this, I've been team captain 6 times and have personally raised over \$4000.
